SARI DEPREEUW

Partner / Professor

Crowell & Moring / UCLouvain Saint Louis Bruxelles

Sari has in-depth knowledge of European and Belgian copyright, software, and data law. Clients in the tech, media, and entertainment sectors rely on Sari for advice, complex contracts and litigation.

Sari is an active member of the Belgian copyright community. She has conducted studies for the European Commission and the Belgian government on the subject of copyright. She is also president of the Belgian Copyright Association and a member of the editorial board of Computerrecht, a peer-reviewed, Dutch-Belgian IT journal.

Sari is a part-time professor at the UCLouvain/Université Saint-Louis Bruxelles, where she teaches IP and media law.
