Dr. Ursula Feindor-Schmidt, LL.M. is a senior partner at the media and IT law firm Lausen Rechtsanwälte. She holds a doctorate in licensing law and a master's degree in intellectual property law as well as a specialist attorney’s title in copyright and media law. She advises national and international clients on their digital strategies and is entrusted with high-profile test cases on platform liability and copyright compliance. She is also a specialist in the evolving field of artificial intelligence and AI regulation. She is a regular speaker and expert panelist at national and international events, e.g., for the Academy of German Media, the International Publishers Association, the Rise of AI, and the Fordham IP Conference, New York.
