jlee@gtlaw.com.au

John is an IP litigator with a focus on patents and trade secrets.

He practices in cross-border litigation and has extensive experience in IT and digital, telecoms, life sciences and engineering technologies.

Recent cases include an appeal to the High Court of Australia on the contentious issue of patent eligibility which split the Court 3:3. He also represented CPC Technologies in a patent claim against Apple relating to biometric technology which was heard in 2023/4.

In addition to being lawyer he is a registered patent attorney. He is ranked in all leading directories.
